Nov 5, 2025

Hello,

It is with sincere pleasure I endorse Dominique Daliogne as an outstanding student graphic designer. I have been an instructor of Dominique for several terms in various courses at SNHU, and find her to be dedicated and reliable while consistently displaying a sincere devotion and genuine interest in the creative and technical aspects of design. Dominique continually and carefully develops innovative solutions while applying techniques that are visually exciting, fundamentally sound, and conceptually effective.

Dominique approaches all aspects of her work with eager anticipation and shows exceptional motivation in approaching new projects. She is steadfast in her professional approach, dependability, and displays solid leadership qualities.

If you would like to discuss Dominique's attributes in more detail, or should you desire further information, please don't hesitate to contact me.

Sincerely,

Michael Maldonado
